For Waldorf/Steiner Education

Journey Through The Curriculum

Thursday 20th August 2026 5:30-7:30pm

Wild Cherry Steiner School invites interested families and community members to join us for our much loved Journey Through the Curriculum.

During the evening you will

- explore each Class sequentially
- hear presentations from each teacher
- be guided through the Steiner approach to education from Prep to Class Six.

We look forward to welcoming current, interested and prospective families.

This is an evening for parents and carers. Children are invited to join us at our Spring Fair on October 24th.

Please register your interest with the office by phoning 51521966 or emailing admin@wildcherry.vic.edu.au
